JavaScript/HTML5/CSS3	SCSS/LESS/Material UI	Node/Express/Knex	Unit and Integration Testing
ReactJS/Redux/Context	SQL/SQLite/MySQL	Python/CS	Version Control / Git

WORK EXPERIENCE

United States Navy
Aviation Maintenance Administration

02/2010 - 05/2016   *Various Locations*

- Utilized database administration knowledge by maintaining server and database security and data integrity, creating and managing user log-in accounts, managing hardware and software upgrades, which resulted in over 1000 mishap-free flight hours during deployments.
- Implemented and administered Local Area Networks (LAN) aboard U.S. Navy ships to support maintenance and flight operations contributing to the mission success of two West Pacific deployments.
- Managed an inventory of over 500 items; accurate accounting and upkeep resulted in the saving of over $1M in maintenance costs for the Navy.

United States Navy
Security Team Lead / Correctional Officer

06/2016 - 05/2019

- Lead Petty Officer of Miramar Brig Security Team, comprised of five Soldiers and Marines, responsible for providing a safe working environment for the installation of over 8 million dollars in state-of-the-art security cameras and touch-screen monitors.
- Received a Navy Marine Corps Achievement Medal for outstanding service over the 3 year period working at the Miramar, California Brig.
- Actively pursued bachelors degree from Central Michigan University and Department of Labor office management certificate.

EDUCATION

Bachelor of Science (B.S.) degree - Organizational and Business Administration
Central Michigan University, Mount Pleasant, Mi

08/2019

- Formally educated in skills pertaining to the legal environment of business, communication, public relations, human resources, organizational psychology, and management through best practices.
